Meet Kaf

כ

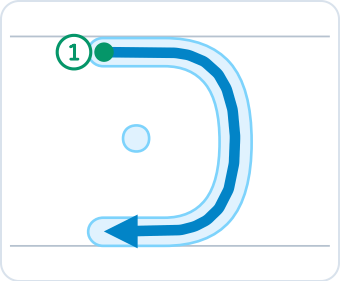

NAME	Kaf כַּף
SOUND	k as in king
NUMBER	20
PICTURE	Pictured as an open palm. Without the dagesh it is Khaf.
WHERE IT SITS	Between the two lines: its top touches the top line and it stands on the bottom line. The dot goes inside.

ך

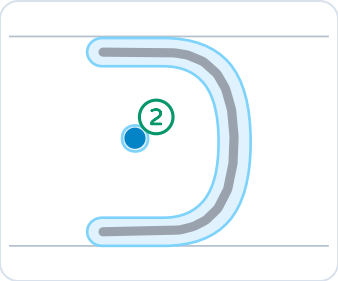

In your Bible it looks like this

How to write Kaf

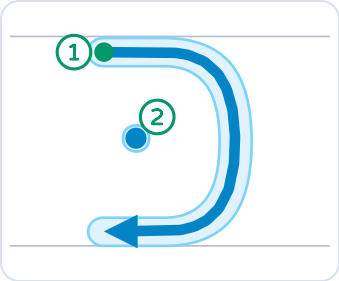

one stroke, then the dot, from the top down

1 · One stroke
Start at the top left. Go across, round down the right side and back along the bottom.

2 · The dot
Add the dot (dagesh) in the middle, last of all.

All together
One stroke, dot.

Good to know

Kaf's corner is round and its floor stops at the wall. Bet (ב) has a heel sticking out on the right.

Practice

◀ Hebrew is written from **right to left**. Start each line at the green arrow and work toward the left.
