צ

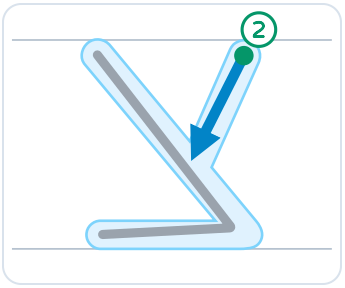

In your Bible it looks like this

How to write Tsadi

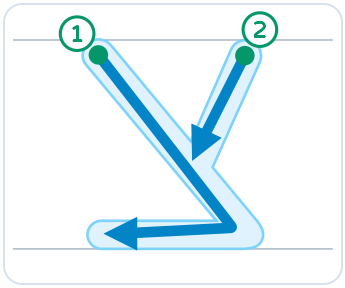

two strokes, from the top down

1 · Slant and floor
Start at the top left. Slant down to the bottom right, then go left along the bottom line.

2 · The arm
Start at the top right. Come down to meet the slant in the middle.

All together
Slant and floor, arm.

Good to know

The little arm on the right meets the slant in the middle.

Practice

◀ Hebrew is written from **right to left**. Start each line at the green arrow and work toward the left.
